THE BEST OF ALL IN ALL THINGS AT ALL TIMES

There are many GOOD life insurance companies, but among them all there must be one BEST. THE BEST IS THE EQUITABLE. If you wish to know why, send for: 1, the report of the Superintendent of Insurance for the State of New York on the examination of The Equitable; 2, for actual results of maturing policies; 3, for statement of death claims paid in 1894. Then you will know the three great reasons of The Equitable's supremacy: 1st, its financial stability; 2d, its great profits and advantages to living policy holders; 3d, the promptness of its payments and liberality of its settlements.

The Equitable Life Assurance Society,

JAMES W. ALEXANDER, Vice-President.

OF THE UNITED STATES.

H. B. HYDE, President.

R. T. PETTINGILL, Manager for Utah, 301 and 302 McCornick Block, Salt Lake City.
